

The PSR
SPECIAL NEEDS CLIENT PLACEMENT REQUEST

Mental Health-Oriented Programs

Limited Availability

(Put an "X" in the box if applicable)

- I) Is your client a first-timer young male offender 32 years of age or younger, facing a sentence of 60 months or more? If yes, would your client be interested in participating in a program that will show them how to:
- Create a smoother adjustment to federal prison?
 - Do they anticipate being sentenced to a medium-security facility, for ~60 months?
- If the answers are yes, this program may help.
- ⇒ 500 Hours
- For Details and Availability, Click Here → [Brave Program, Interested:](#) Yes. No
- II) Is your client a male inmate in (or facing) a high-security penitentiary setting with a history of: Substance abuse/dependence or a major mental illness as evidenced by a current diagnosis of a Psychotic Disorder that may include:
- Mood, Anxiety, Schizophrenia, Delusion, and/or Substance-induced Psychotic Disorders?
- ⇒ 500 Hours
- For Details and Availability, Click Here → [Challenge Program, Interested:](#) Yes. No
- III) Is your client a male or female with a serious mental illness, but who does not require inpatient treatment?
- Do they lack the skills to function in a general population prison setting?
 - Would they be interested in a mental healthcare program that works closely with Psychiatry Services to ensure they receive appropriate medication and could build a positive relationship with the treating psychiatrist?
- ⇒ 500 Hours
- If your answers are yes, this program may help:
- For Details and Availability, Click Here → [Mental Health Step Down Program, Interested:](#) Yes No
- *Males with a primary diagnosis of Borderline Personality Disorder are referred to: [The Stages Program](#)*
- IV) Is your client a male or female with a history of mental illness related to physical, mental, intimate domestic violence, or traumatic PTSD?
- Would your client be interested in a mental healthcare program that focuses on the development of personal resilience, effective coping skills, emotional self-regulation, and healthy interpersonal relationships?
- ⇒ 80 Hours
- If yes, this program may help:
- For Details and Availability, Click Here → [Resolve Program, Interested:](#) Yes. No

V) Does your client have a significant functional impairment due to intellectual disabilities, neurological deficits, and/or remarkable social skills deficits?

For example, do any of these apply to your client:

Autism Spectrum Disorder, Obsessive-Compulsive Disorder, Epilepsy, Alzheimer's, Parkinson's, or Traumatic brain injuries (TBIs) to mention just a few?

Would your client be interested in improving their institutional adjustment and likelihood of a successful community reentry?

⇒ 500 Hours

If your answers are yes, this program may help:

For Details and Availability Locations, Click Here → [Skills Program, Interested:](#) Yes, No

In the news:

- [New Drug Improves Empathy and Social Skills in People with Autism](#)
- [Dental care is tough to find for people with autism](#)

Inmate patients (who need specified dental procedures) with autism and other developmental disorders require general anesthesia for non-routine dental work. Most dentists are not equipped to provide it, and insurers will not cover general anesthesia for rootcanals.

VI) Is your client a male inmate (or facing prison) with:
Serious mental illnesses and a primary diagnosis of borderline personality disorder, along with a history of unfavorable institutional adjustment linked to this disorder.

Would they be willing to volunteer for this mental health care program? If yes, this program may help:

⇒ 500 Hours

For Details and Availability, Click Here → [Stages Program, Interested:](#) Yes, No

VII) Sex Offender Programs

VIIa) Is your client considered a low to moderate-risk sexual offender?

Does your client have a history of a single-sex crime; or

Are they serving a sentence for a first-time Internet Sex Offense?

⇒ 500 Hours

If both answers are yes, this program may help:

For Details, Click Here → [Sex Offender, Non-Residential SOPT-NR, Interested:](#) Yes, No

VIIb) Is your client considered a high-risk sex offender?

Does your client have a history of multiple sex crimes (re-offense sex offender), extensive non-sexual criminal histories, and/or a high level of sexual deviancy or hyper-sexuality?

Does their criminal history include rape, sodomy, incest, carnal knowledge, transportation with coercion, a force for commercial purposes or sexual exploitation of children, unlawful sexual conduct with a minor, and/or internet pornography?

⇒ 500 Hours

If your answers are yes, this mental healthcare program may help:

For Details, Click Here → [Sex Offender, Residential \(SOTP-R\), Interested:](#) Yes, No

VIIc) Can your client be considered a sexually dangerous person with multiple sex crimes?

Is your client a candidate for psychological treatment, implementation of a behavior management plan, and coordination of a multidisciplinary treatment team?

Can your client be considered sexually dangerous with the possibility of criminal recidivism?
If both answers are yes, this program may help.
For Details and Availability Click Here → [for Sexually Dangerous Persons](#)- Page 12, **Interested:** [Yes](#), [No](#)

VIII) Has your client been the subject of domestic violence suffering from PTSD, with its associated mental healthcare disorders along with drug dependency?

Is your client a candidate for cognitive-behavioral treatment for females with substance use disorders, mental illness, domestic violence, and trauma-related disorders - to women?

Would your client also qualify for [RDAP \(Drug Program\)](#) and those treatment plans which would also address substance use in this residential program may qualify for the early release benefit associated with RDAP?

⇒ 500 Hours

If the answers are yes, this program may help.

For Details and Availability, Click Here → [The Female Integrated Treatment \(FIT\) Program](#),

Interested: [Yes](#), [No](#)

IX) As your client will one day be released, the [LCP](#) is a program open to inmates of all faiths, and those who have no religious background. Participants approach the program from their own faith teachings or values-based background.

Would they be interested in connecting with community mentoring and faith group support as they return home.

If the answer is yes, this program may help.

⇒ 500 Hours

For Details and Availability, Click Here → [Life Connections Program \(LCP\)](#),

Interested: [Yes](#), [No](#)

X) Does your client have children at home?

Are they interested in topics such as appropriate discipline and developmental growth milestones?

Would they also be interested in learning how to parent as an incarcerated mother, father, grandparent, or parenting a child with a disability?

If the answers are yes, this program may help.

⇒ 40 Hours

For Details and Availability, Click Here → [National Parenting from Prison Program](#),

Interested: [Yes](#), [No](#)
